ABOUT US

At Fuss-Check GmbH we work to bring you the highest quality insoles and shoes every day. We combine current trends with orthopedics to find the perfect aid for every customer.

Markus Hollecker is now a 3rd generation orthopedic master shoemaker, and places particular emphasis on detailed advice and friendly service.

We are happy to assist you and look forward to welcoming you to our stores.

MODERN MEASUREMENT

We're using the latest 3D scan measurement technology to manufacture our insoles, custom shoes and compression stockings.

CUSTOM-MADE ORTHOTIC

We walk on our feet all our lives without thanking them. Orthotics and custom shoes can be a significant relief and support for your feet.

CUSTOMER REVIEWS

JÜRGEN DOBERSTEIN

Pro Boxer - WBA-Intercontinental, IBF-Junior world champion

„CEP Performance socks are like made for me. Inside the ring you need stability and reasonable compression is simply one of them“.

GINA GROSS

Basketball player for the Diamonds Dillingen

„With Markus and his team, I simply feel in good hands. Nice, competent and the products are top notch.“

MIKE WILLEMS

„The professional advice is top! They know what they're talking about. Knee problems are history thanks to the new insoles.“
